Case # 1:20-CV-00365-AT

FILED IN CLERK'S OFFICE  
U.S.D.C. - Atlanta

APR - 7 2020

By: JAMES N. HATTEN, Clerk  
Deputy Clerk

To: The Honorable Judge Amy Totenberg

I am writing this letter to request reconsideration in the final report and recommendation. The reason for this request is that I did not receive the Order dated for Jan. 31, 2020.

I had to move at short notice due

to domestic violence, at that point

I requested for mail to be forwarded to my new address which you now have on record. The letter I received at my new address was to inform me my case had been dismissed due to no response, at that point I contacted the clerk's office, however

admitted to the hospital. Once out of the hospital I was advised to limit my outside exposure due to my autoimmune disorder and current events.

I had my husband deliver a letter to the Clerk's Office updating my address and explaining my circumstances. I have now received some of the correspondence that has since been remailed to my correct address.

I am asking that with all facts considered that I be able to proceed with my case, it was not intentional to not respond as I was completely unaware until I received a piece of forwarded mail about your decision. I am requesting an extension so that I am able to do what is required of me. sincerely, Shonae
